

This update provides the West Village community with information about construction works in the West Village precinct. Construction permits allow for hours of work from 6.30am to 6.30pm from Monday to Saturday. Occasional out-of-hours works occur with permission from authorities.

Allere: Uno & Duo

The Hutchinson Builders team returned to the site in early January, focusing on the construction of Allere Uno and Allere Duo.

On Allere Uno, headway has been made with the commencement of plastering in common hallways and on level 5 apartments. Work on walls and partitions is underway on level 6 and glazing and balustrading have been successfully installed up to level 7. The completion of the level 10 slab, column pours, and pre-cast panel placements, along with half of the level 11 slab pour, has been great to see.

Similarly, on Allere Duo, progress continues with the completion of the level 5 slab, column pours, and pre-cast panel placements. Preparation for the commencement of the level 6 slab pours is nearly complete, highlighting ongoing efforts in this area.
