

This update provides the West Village community with information about construction works in the West Village precinct. Construction permits allow for hours of work from 6.30am to 6.30pm from Monday to Saturday. Occasional out-of-hours works occur with permission from authorities.

## Traffic Management Change

As construction progresses at West Village, the Mollison Street car park exit has been temporarily changed to left turn only during construction hours, expected to continue until October 2024. Additional traffic control measures are in place to ensure the safety of pedestrians during this time.

Right and left turns into the car park from Mollison Street will still be permitted, unless otherwise advised by traffic controllers.

We appreciate your patience during this time as the Village continues to grow.

Leave a message:  
1. Your name  
2. Your number  
3. The reason for your call

STEP 3

Your enquiry will be logged on the Construction Issue Register

STEP 4

Hutchinson Builders will respond as soon as possible

## Allere: Uno & Duo

On Allere Uno, the level 18 slab pour was completed. On the lower levels, external balustrades and glazing is now reaching level 13, with level 14 now 75% completed.

On Allere Duo, the level 12 slab pours were completed early June, with preparations are underway for the level 13 slabs. External façade waterproofing has been finished up to level 8, along with external painting up to level 7.

## The Common:

Rejuvenation works on the grass for the Common and in front of Picnic Café continue and remains closed to public.
